ANNUAL REPORT

OF THE TOWN OFFICERS

GC 974.102 SO88AR, 1970

SOUTHPORT, MAINE

FOR THE YEAR ENDED DECEMBER 31, 1970

Governor Bradford of the Plymouth Colony, writing contemporaneously, records that in the spring of 1622 he sent his rebuilt and lengthened pinnace to Damariscove for provisions for his starving colony. The well established and provisioned fishing establishment here, which undoubtedly included Newagen, loaded the pinnace with provisions, without cost, and thereby probably saved the Plymouth Colony at a crucial time. Such facilities, although nomadic, must have been well established years before this.

In the year 1623, a summit conference, to use a modern term, was held in New England by its then Governor Gorges, accompanied by a retinue of advisors and navigators, chief of the latter being Capt. Christopher Levett. It was attended by the great Sachem Samoset and other leading Indian Chiefs. It lasted for three days. Where was it held? Not anywhere in Massachusetts Bay, although Gorges had traveled the entire coast, not at the landfall of Monhegan, not at ancient Pemaquid, but in Newagen Harbor, mostly because there were facilities here to leave their ships for a short spell and live on the land.

Writing in his log, Levett says, "and next we came to Cape Manwagen where nine ships fished last year." This same Christopher Levett tells us that an average fishing ship of that time carried a crew of fifty men.

Four hundred and fifty people at Newagen in 1623! More than has ever been there since, even with a "no vacancy" at Newagen Inn. Historian Greene, writing of this episode, sums it up so beautifully and accurately thus: "This little point bordering on Cape Harbor was at one time one of the few and one of the principal places in America."

IN MEMORIAM

This past year our town was deeply saddened by the untimely death of Donald Harriman. This tragedy occurred while engaged in a duty to which he was most dedicated: that of helping his fellow man by seeking and imparting knowledge in all aspects of the fishing industry, that pertained to the conservation and harvesting of the sea. Don not only traveled the U. S. but many European countries as well, and many times on his own time and expense, in the seeking of knowledge which in some way would help his fellow man with earning a living from the natural resources of the sea.

Don not only partcipated in many fisheries conferences throughout the world, but also engaged himself in the physical aspects of their many problems. He spent many tireless hours under any and all conditions working with fishermen on their boats. When the study of the ocean floor was necessary, Don learned the art of skin diving in order to make personal observations.

In spite of his dedication to his work, Don found time to become involved in the Civil Defense program serving (22) years on a county and town level, spending many hours with instructing people to be prepared and able to help themselves. Don also found time to serve on the Governor's council on education, helped to originate the local chapter of the AFS Student program, Trustee and Chairman of the General Administrative Board of the local United Methodist Church and Master of the local Grange.

There is no way to determine the extent to which his passing has affected his fellow man, though he did not fulfill his mission.

Certificate of

HONORABLE MENTION

awarded to the

Town of Southport, Maine

in recognition of its superior standards of informing citizens and taxpayers about municipal activities and of providing them an effective basis to appraise the value of services furnished by local officials, elective and appointive, as displayed in their official

Town Report

competing in the 25th

NEW ENGLAND MUNICIPAL REPORT COMPETITION

co-sponsored by

THE NEW ENGLAND COUNCIL and

THE NEW ENGLAND STATES AND MUNICIPAL FINANCE OFFICERS ASSOCIATION

SELECTMEN'S COMMENTS

Again Southport has been honored by receiving a Maine award for its Town Report and in addition, received Honorable Mention in a New England wide competition.

During the past year the exterior of the Town Hall was scraped and painted with two coats of paint, and the porch floor was also painted. A new door was installed at the rear of the hall, new supports were placed under a section of the kitchen floor and the toilet rooms were painted.

We hope to have some interior painting done in the coming year.

A donation was received from Miss Jessie Hoatson with a suggestion that it be used to purchase something for the Town Hall kitchen. Two dozen wicker roll baskets were purchased with this money.

STATE OF MAINE

STATE DEPARTMENT OF AUDIT

Augusta, Maine 04330

September 18, 1970

Board of Selectmen Southport, Maine

In accordance with Title 30, Section 5253, Maine Revised Statutes Annotated of 1964, as amended, an audit has been conducted of the financial records of the Town of Southport for the year ended December 31, 1969.

The examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the exhibits and schedules incorporated in this report, present fairly the financial position of the Town at December 31, 1969, and the results of its operations for the period indicated.

Respectfully submitted,
W. L. OTTERBEIN
State Auditor

SCOPE OF AUDIT

The system of internal control was reviewed as it pertained to the handling of cash and other matters of financial concern. Cash accounts were verified by reconciliation of bank statements and count of cash.

An analysis was made of receipts and deposits as well as expenditures and negotiated checks. Vouchers, payrolls and canceled checks were examined on a selective basis. Letters of confirmation were used on a test basis to verify the correctness of recorded assets and liabilities.

Revenue accruing to the municipality from various sources was reviewed and checked to pertinent records. Special fund transactions were checked. Records of town meetings, as they pertained to financial matters, were reviewed. Surety bond coverage was determined.

COMMENTS

OPERATIONAL RESULTS

The fiscal year's operations showed a net unexpended departmental balance of \$6,954.39 was lapsed to surplus, per the following summary:

Departmental Accounts:

Unexpended	Balance	\$7,495.58
Overdrafts		541.19

Net Unexpended Balance \$6,954.39

The overlay, supplemental taxes and the unused balance of excise tax collections were the major factors contributing to the amount lapsed to surplus.

The following comments pertain to the accompanying financial statements:

ASSETS . . . The general fund cash balance totaled \$67,221.31 at December 31, 1969. The bank balance used in reconciling this amount was confirmed by the depository.

Taxes receivable totaled \$3,263.75 of which \$3,166.00 was for the current year. The remaining balance of \$97.75 was for prior accounts dating from 1965. Tax liens totaled \$677.00 and date from 1954.

LIABILITIES, RESERVES AND SURPLUS . . . Accounts payable of \$19,977.61 consisted principally of amounts due the Squirrel and Capitol Island Village Corporations.

Employees' payroll deductions totaling \$779.46 were due governmental agencies at the year end.

Departmental balances carried forward to the ensuing year, by vote of the townspeople, amounted to \$30,759.58.

The unappropriated surplus amounted to \$19,570.06, a net increase of \$6,324.39 for the year. This change was occasioned principally by the net unexpended departmental balance lapsed.

DEBT FUND . . . The debt fund of \$6,600.00 consists of outstanding notes for various purposes and mature during the next three years.

SPECIAL FUNDS . . . These various purpose funds totaled \$19,738.78 at the year end and were invested in time deposits and bank savings bonds, with the exception of \$75.35 due from the general fund.

GENERAL

At the annual town meeting it was voted, "to turn over all Cemetery Trust Funds now held, and all future Cemetery Trust Funds that may be sent to the Town of Southport, to the Cemetery Trustees."

The transfer of excise tax revenue of \$5,000.00 to the snow removal account was voter authorized.

Water Commissioners Southport Water System Southport, Maine

In accordance with Title 30, Section 5253, Maine Revised Statutes Annotated of 1964, as amended, an audit has been conducted of the financial records of the Southport Water System for the year ended December 31, 1969.

The examination was made in accordance with generally accepted standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the exhibits and schedules incorporated in this report present fairly the financial position of the Southport Water System at December 31, 1969, and the results of its operations for the period indicated.

Respectfully submitted,

W. L. OTTERBEIN

State Auditor

SCOPE OF AUDIT

The system of internal control was reviewed as it pertained to the handling of cash and other matters of financial concern. Cash accounts were verified by reconciliation of bank statements.

An analysis was made of receipts and deposits or expenditures and negotiated checks. Vouchers, payrolls and canceled checks were examined on a selective basis. Letters of confirmation were used on a test basis to verify the correctness of recorded assets and liabilities.

COMMENTS OPERATIONAL RESULTS

The fiscal year's operations showed a net income of \$4,963.90, an increase of \$2,308.43 as compared with the preceding year. A comparative summary of operations for the two years is as follows:

•	1969	1968
Operating Revenue	\$20,142.57	\$16,538.85
Operating Expense	13,755.34	12,298.48
Net Operating Income	6,387.23	4,240.37
Nonoperating Expense	1,423.33	1,584.90
Net Income	\$ 4,963.90	\$ 2,655.47

An increase in operating revenue, particularly in hydrant rental, was the major factor contributing to the increase in net income. Operating and nonoperating expenses were comparable with those of the preceding year.

SCHOOLS

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of the Town of Southport:

I am pleased to submit this annual report of the Superintendent of schools.

The staff is the same this year at the Southport School with Mr. Robert Irvine as Principal, and Teacher of grades 6, 7, and 8; Mrs. Emolyn Pratt, grades 3, 4, and 5; and Mrs. Jean Niemi, grades K, 1, and 2. Mrs. Lydia Elliott has continued as teacher aide at the school and provides valuable assistance not only to the teachers, but also for the students.

This is again a legislative year and there are two educational bills in particular that will be presented to the legislature which could affect Southport. One is a subsidy bill that would require each town in the state to raise 20 mills per thousand of state valuation to finance education. Southport's state valuation is \$10,100,000. which means that \$202,000. would have to be raised locally for state educational purposes. The state would then subsidize each town on the basis of \$556. per student plus 80% of the transportation cost. This would mean that Southport would receive approximately \$47,000. state subsidy to operate their school system and any amount above that, would have to be raised locally.

The second bill which could affect Southport, would require all towns to become part of a School Administrative District by a certain date. At the present time, there are 75 School Administrative Districts in the state, plus the cities which serve 80% of the school population.

The total budget indicates an increase of \$7,987. compared to an increase of \$6,481. in appropriation. Fifty percent of the increase in appropriation can be attributed to tuition and the remainder to services and supplies. If the subsidy law now being considered by the 105th Legislature

was applied to this budget, it would mean that in addition to the \$202,000 paid to the state, the town would be asked to also appropriate \$38,964. for local educational operation.

I would like to take this opportunity to thank the Town Officials, School Committee, and teachers for their cooperation this past year. The problems of education and its financing are becoming more complex every year and very few of these problems have simple solutions. However, with the continued support of the voters of Southport, I am certain that a way will be found so that a good education will continue to be provided for the children of Southport in the years ahead.

Respectfully submitted, Ronald F. Corkum Superintendent of Schools

REPORT OF THE SCHOOL COMMITTEE

Year Ending December, 1970

To the Citizens of Southport:

We, the members of the School Committee, submit the following report for the year 1970.

The Southport School opened in September of 1970 with the

following enrollment:

	K	1	2	3	4	5	6	7	8	Tot.
1970-71	6	3	5	6	5	8	5	9	9	56
1969-70	3	6	5	4	6	5	7	10	8	54

We have 24 students at Boothbay Region High School and two attending secondary schools out of state for a total of 26 high school students. Therefore, the total enrollment grades K - 12 has been increased by only 4 students. There is also one student attending the Seaside School of Hope.

The school committee has continued its program of painting one side of the building every summer and having

other maintenance work done as it becomes necessary. Thanks to the efforts of Mr. Winston Brewer, the interior of the building is always clean and various areas are painted every summer.

Contract agreement with the B. R. T. A. for the 1970-71 school year was reached in June of 1970. Negotiations for the 1971-72 contract started in October and as this report goes to press, no agreement has been reached. The school committee negotiations team is composed of four members, one from each of the towns in Union No. 49, and Mrs. Tancy Mitchell is currently the school committee negotiator for Southport.

Due to the fact that the usual Science Fair was not held last year at the high school, Southport students created one of their own. The many projects on display were most impressive and educational to all who were fortunate enough to see them. We especially congratulate the students for their ingenuity and enthusiasm, and look forward to another Southport Science Fair this year.

The School Committee would like to thank Mr. Richard Dill for the many years he served on the committee, and for his efforts to improve the educational program in Southport. Mr. Dill spent many hours representing the Southport School Committee at meetings on the state level, plus serving as a school committee negotiator, and his contributions of time and energy were greatly appreciated by his fellow committee members.

We would like to thank the teachers, cafeteria workers, custodian, bus driver and all the people who help to make the Southport School System a smooth operating and successful educational system.

Respectfully submitted,
Ronald Orchard, Chairman
Richard L. Alley
Tancy Mitchell

REPORT OF PLANNING BOARD

To the Citizens of Southport:

On August 24, 1970, the Southport Development Planning Ordinance was passed at a special town meeting, culminating two years of study and discussion by the Planning Board. I would like to thank all the members of the Board, past and present, for their conscientious efforts and dedication to the job. I would also like to thank the many townspeople who gave us their loyal support and encouragement.

Drafting an ordinance such as this one, which must be at the same time effective, legally sound, and acceptable to the people, is no mean task. We realize that it is not going to be perfect and flaws will come to light from time to time. Certainly, as times change and the town grows, changes and improvements will have to be made. For that reason the Planning Board will continue to function actively, and we we will always be ready to hear suggestions and criticisms which will help us plan these improvements.

One of the responsibilities of the Planning Board in coming years will be to follow carefully both the development of the town and trends in the state and country at large, so that Souhport will be in a position to make the best of these trends instead of becoming a victim of them.

Respectfully,
ALDEN P. STICKNEY
Chairman, Planning Board

REPORT OF BUILDING INSPECTOR

As building inspector I received nine requests for permits from September through December. Four were granted, one withdrawn, and four disapproved and appealed. Of these appeals, two were granted, one tabled, and one rejected.

ROBERT P. WALBRIDGE

MEMORIAL LIBRARY REPORT

Memorial Library is growing each year; we think it is getting better known and more appreciated.

Thanks are due several friends who helped us during the summer months — Miss Marcia Hamilton of Pine Cliff, Miss Shirley Smith for helping the librarian, Miss Marion Frost for the task of keeping the lawn neat, Mrs. Marjorie Barter for doing the work of the librarian during Mrs. Emerson's absence.

Mrs. Quimby helped in the children's room; many books had to be discarded — she and the librarian mended those needing this done.

A friend presented the library with a record cabinet and two bulletin boards — the library received gifts of money from seventeen friends and fourteen friends presented the library with books. Among the many new books are Britannica Book of the Year, American Heritage History of the 20's and 30's and Norman Rockwell, Illustartor. Gifts were made in memory of Izetta M. Pinkham.

Circulation of books was 2,484; of magazines 507, of children's books 476.

Our Library Aid Association bought 123 books. It has become more active; our new President is Mrs. Stratton and the Secretary-Treasurer is Mrs. Weitzel.

During National Library week in April an "Open House" was given by the trustees, Mrs. Quimby, Mrs. Farmer, and Mrs. Sherman, in acknowledgement of Mrs. Ralph Gray's many years of service to Memorial Library and to Bayberry Camp Library. Several fine books were bought with a gift of money presented in 1969 by the Southport Summer Residents Association to show appreciation of Mrs. Gray's services.

Our Summer Sale was very successful, thanks to our many friends.

Respectfully submitted,

JEANETTE G. EMERSON

Librarian

REPORT OF LIBRARY TRUSTEES

Repairs and maintenance of the library included painting of all exterior walls, some necessary corrective wiring, and installation of a new fuel tank at an advisably improved location

As the library now contains around 15,000 volumes, we have agreed that we must look ahead toward adding a simplified cataloguing system to our present services.

Gifts of money received by us have been sent to the Town Office for the Library Account, specified for book purchases. The town has also received State of Maine Library Stipent of \$109.76 for purchase of nonfiction. We hold a new savings account at Canal National Bank totaling \$125.00, donations made to us "for cateloguing or other use."

We wish to thank the Summer Residents Association for their continued support with a gift of \$100.00, and to thank also all who have made personal donations during the year.

May we mention our warm appreciation for the cooperation with us and service to the library of the following: Jeanette Emerson, librarian, Marjorie Barter for helpfully substituting for Jeanette during her absence, Mrs. Ralph Gray, assistant librarian, Priscilla Harriman and her book committee, Louise Dill, Newagen Postmistress, and the Town Officers.

We regretfully record the loss to Memorial Library during 1970 of a beloved friend, Donald M. Harriman. Don gave unsparingly of his time, talents, and inspiration throughout eighteen years at Newagen.

Your trustees welcome your constructive suggestions. We sincerely hope for your continued support, and for your steadily increasing recognition of the riches available at your library for you and your families, wherever you live on Southport Island.

Respectfully,
RUTH FARMER
MAURICE SHERMAN
ELIZABETH QUIMBY

REPORT OF POLICE OFFICER

To the Honorable Board of Selectmen and the citizens of Southport:

It has been my pleasure to serve as your Police Officer for 1970.

In the performance of my duties, 3 arrests were made during the summer of 1970. One for Driving While Impaired, one for Illegal Transportation of Alcoholic Beverages by a minor, and one for Intoxication in a Motor Vehicle. These arrests were followed by three convictions.

Numerous warnings were given for violations ranging from hitchiking and speeding to imprudent driving.

Numerous complaints investigated ranged from domestic disturbances, reports of gun shots, trespassing, vandalism and disturbing the peace.

I also aided in the investigation of three motor vehicle accidents and had three unattended and obstructing motor vehicles removed from the public ways after dark.

I also aided many motorists in securing lodging, directions, and general information reference to our tourist trade.

At least four trips were made around the Island a night with side roads being covered twice. This is in addition to roads covered in pursuing and investigating complaints. I might add that motor vehicle traffic was very heavy on the Island this year, reflecting the overall regional trend.

I would like to express my thanks to the State Police, Sheriff's Dept., Boothbay Harbor Police Dept., and the communications Dept. for their assistance and co-operation in the performance of my duties.

Respectfully submitted,

CHARLES E. CUSHING,

Police Officer

FIRE DEPARTMENT

This year your fire department responded to five calls classified as follows:

Chief's Call	2
Chimney	1
House	1
Resusitator	1
Flooded Oil Burner	2
Grass	2

Two new portable pumps were purchased to replace two that were old and worn out.

The equipment is in good working order, except for the pumper, which is now twenty-four years old and should be replaced this year.

I would like to thank the citizens for their cooperation, and the fire men for their response to fire calls. I recommend that we raise \$2,000.00 this year to go towards our pumper account. I personally would like to thank Norman Lewis, Jack Gray, Phyllis Cook and Earl Pratt for their help in sounding the noon whistle.

Respectfully submitted,

R. S. THOMPSON, Chief

REPORT OF PUBLIC HEALTH NURSE

I have been associated with the Boothbay Region District Nursing Association in the capacity of board member or vacation relief nurse since 1953.

Therefore when I was asked to do the District Nursing work upon the resignation of Mary Hart, I was very curious to see if (when there have been so many changes in the other areas of health care over the past few years) the need of the community, and the services offered had changed.

The Boothbay Region District Nursing Association operates in three broad areas —

Community health which includes nursing care under a doctor's order to any citizen needing it, welfare and social service visits, periodic visits to those who attend specialized clinics (Knox County Chest Clinic, Cardiac Clinic of the Maine Medical Center, Cystic Fibrosis Clinic, etc.)

A well baby clinic held the first Wednesday of every month offers immunization for diptheria, tetanus, pertussis, polio, smallpox, measles and will soon offer mumps and German measles immunization. The attendance at these clinics has not decreased.

A flu clinic was offered town and school employees.

School health begins in January with pre-school registration at which physicians and dental examinations are done.

Physical exams and immunizations are offered in grades 1, 4, 7, 11 to those who have parental consent. The physical exam includes urinalysis and blood pressure.

Eye tests are done in all grades. Hearing tests are being done in all grades this year because the State Department of Health and Welfare is doing a special survey on hearing as well as on sight.

The tubercular testing in the schools was done again this year. In this area too, a special survey was asked for this time by T. B. Control.

In hopes to eliminate birth defects from German measles, the Dept. of Health and Welfare has asked us to offer (at the State's expense) Rubella Vaccine to the Kindergarten through the sixth grade. After this year it will be offered to the kindergarten only. The third area of nursing activity is Public Health. The Dept. of Health and Welfare has asked our cooperation in T.B. Control (more help is needed at the local levels since the sanitoriums have closed) and in evaluating the effectiveness of existing school health programs.

The surveys asked for have been very time consuming but hopefully will show areas of strength and weakness in existing programs, so that the programs and services might be continued or altered to better serve the needs of the community.

Have there been changes in the past 17 years?

I feel the program and the need for it is essentially the same now as in the past except in the area of schools where the health needs seem to have increased a great deal.

I thank Mrs. H. C. Boyar who has alternated working weeks with me since October, the Board Members of the Boothbay Region District Nursing Association, Inc., the doctors and their receptionists, the staff of St. Andrews, town and school officials and personnel, and the many volunteers for their help and cooperation the past months.

Respectfully submitted, RUTH DOLLOFF, R.N.

BOOTHBAY CHAMBER OF COMMERCE

The Boothbay Region Information Center, Route 27, was operated from late May to October 10, 1970 and reached an all-time high in serving tourism. This was accomplished through the financial support of the taxpayers of Boothbay, Boothbay Harbor, and Southport, and from membership fees and donations made by friends of the Chamber. The support was greatly appreciated

The organization acknowledges the services of the Garden Club, the personnel of the Information Center, the Public Works Department of Boothbay, and the cooperation of the Boothbay Harbor Region Chamber of Commerce on various projects.

The Chamber through the Art Committee thanks those who exhibited their work in the Information Center and those who participated in the Craftsmen and Artists Fair held on the Common, October 3, 1970. This Fair was created to honor Maine's Sesquicentennial year. It was received with enthusiasm by the participants and with the suggestions that it be expanded and held at an earlier date in the future.

The Boothbay Chamber of Commerce in cooperation with the Town of Boothbay and the Boothbay Harbor Region Chamber of Commerce has installed a mercury vapor light at the Beath Road Spring. The Chamber wishes to acknowledge with thanks the donations, \$93.00 which has been deposited to be used for maintenance and beautifying surroundings at the spring.

As a taxpayer of Boothbay, you are invited to join with the 84 members and aid in civic projects sponsored by the Chamber. Meetings are held the first Wednesday of each month, except July and August, at 7:30 p.m. at the Boothbay Region Information Center, Route 27. The Chamber is always open to pertinent suggestions as to how it can improve the general locale of the Region.

BOOTHBAY HARBOR REGION CHAMBER OF COMMERCE

To the People of Southport:

In 1970 your Region Chamber of Commerce continued its efforts to keep the Region's economy at the highest possible level. In a year which saw much of the Country's economy far from a favorable level, the increase in Tourism in 1970, proved to be a great boost to the Boothbay Harbor Region economy.

During the past year, your Region Chamber, along with its efforts to promote the economy, did strive to preserve and maintain the community for those of us that live here and the visitors to the area. The Chamber initiated action governing billboards, conducted the Clean-Up Campaign, Shop at Home Campaign, and Santa's visit, presented a Community Improvement Award to a local business, and publicly announced a resolution regarding the filling-in and pilings being placed in the Harbor and other navigable waters in the Region. The Chamber donated their Route One Information Booth for use at the Pat's Pond Recreation Area, sponsored the Fireworks Campaign and the summer weather forecast on WBZ-TV and Radio by Don Kent.

The Chamber had an active membership of 255 in 1970 which established a record number of members.

The Board of Directors and Officers of the Boothbay Harbor Region Chamber of Commerce wish to express their sincere thanks and appreciation for your support and cooperation during 1970. They ask for your continued support in 1971, which is essential to carry forward the Chamber's continuous efforts to keep the Region's economy at the highest possible level and thereby help each and every member of the Community.

ACCOUNTANTS and AUDITORS Lincolnville, Maine 04849

February 4, 1971

Boothbay Harbor Region Chamber of Commerce Boothbay Harbor, Maine

Gentlemen:

In accordance with your request, we have audited the records of the Boothbay Harbor Region Chamber of Commerce for the period January 1, 1970 to December 31, 1970.

The examination was made in accordance with generally accepted auditing standards. Audit analysis was on a basis consistent with that of the preceding year, and included all procedures which were considered necessary. Insofar as could be ascertained within the scope of examination, the financial transactions of the Chamber of Commerce appear to have been appropriately handled.

Exhibits and Schedules incorporated in this report impartially present the financial position of the Chamber and the result of its operation for the period designated.

- Art. 45. To see if the Town will vote to discontinue the following Town or Private Ways in accordance with the provisions of MRS, T 23 s205:
 - Landing Road from south side of Rte. 27 to its intersection with Plummer Road.
 - 2. The old East Road from Plummer Road to Capitol Island Road.
 - Nickerson Road from Plummer Road to the present East Road.
 - 4. The Old Dog Fish Head Road from the northeast corner of land of Alfred Huskins to its intersection with the present Dog Fish Head Road.
- Art. 46. To see if the Town will vote to amend the Town By-Laws by adding a Section 5 to Article II to read as follows: "No person shall tie up any boat for more than one hour at the Town owned Floats at the southerly end of the Town Pier at Newagen."
- Art. 47. To see if the Town will vote to amend the Development Planning Ordinance in the following manner:

Section 5 Article II shall be amended to read "No dwelling or mobile home shall be constructed on or moved to

a lot smaller than 20,000 square feet, nor shall more than one dwelling or mobile home be permitted on each 20,000 square feet of lot area."

Section 5 Article III shall be amended to read: "No dwelling, mobile home or other building shall set less than 20 feet from any adjoining lot line."

The Registrar of Voters will hold office hours while the polls are open to correct any error in or change a name or address on the voting lists, to accept the registration of any person who becomes 21 years of age on election day, or after the close of registration prior to it; to accept new registrations and to accept new enrollments.

A person who is not registered as a voter may not vote in any election.

Given under our hands this first day of February A.D. 1971.
